

# Shape In, Shape Up!

## Privé Clinic Curves You In The Right Direction

Indulged a little more than you have and realised that you've put on some additional inches? Well, if you've been looking for a **non-invasive body fat reduction and body contouring solution**, Privé curves you in the right direction with the all new UltraShape® Contour I Ver 3.

- ★ UltraShape® is designed to get rid of **unwanted fat** by using **ultrasound waves** and **radio frequency vacuum (RFVac)** technology
- ★ Selectively **break down fat cells** without affecting neighbouring structures, such as blood vessels and nerves
- ★ **Non-invasive**, virtually **painless** procedure. No incisions or anaesthesia is required
- ★ **Banishes** stubborn fats **permanently**
- ★ **Proven results** in inch loss and body-contouring to achieve your ideal figure in a few sessions
- ★ **Tightens** loose skin and **smoothens** cellulite in the same procedure
- ★ **Multiple areas can be treated** – from flabby tummies and love handles, wobbly thighs and back, to jiggly arms
- ★ A **quick walk-in, walk-out** treatment. No recovery time needed. You can resume normal activities immediately after treatment
