

Are you looking for **LOVE**
this **Valentine's Day**?

Love is in the air at Privé Clinic.

Made popular in Korea, Privé now offers the **Korean Love Band Eyes** treatment - a minimally- invasive procedure designed to mimic the youthful fullness that occurs naturally in the skin just below the lash lines, leaving you looking cuter, sweeter and making your eyes look bigger.

Call **6737 6639** for details.

At Privé, your needs are our first and only priority.
